DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

Claim Objections

2. Claims 1 and 11 are objected to because of the following informalities:

Claim 1 lines 12-17, "a" before "map" should be changed to --the--, line 18, "Above maps" should be changed to --the map is--, and line 20 should be deleted.

Claim 11, line 4, "as summarized in claims 1- through 4" should be deleted

Appropriate correction is required.

Allowable Subject Matter

3. Claims 1-11 would be allowable if rewritten or amended to overcome the objection in claims 1 and 11 set forth in this Office action.

4. The following is a statement of reasons for the indication of allowable subject matter: Although the prior art of record and prior known in the art provides geographical information in a bill statement, merchant information, etc., the prior art fails to disclose or fairly suggest providing a map for representing the geographical information, wherein the information is summarized by reference points indicating transaction amount, local area transactions, weekday transactions, etc. These limitations in conjunction with other limitations in the claims were not shown or known by the prior art.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
